The Food Bank of Northern Nevada continues working hard to serve those in our communities struggling to put food on the table for their families. The demand for our services remains high and even with a low unemployment rate, there are so many working families needing food assistance. On average, 92,000 people are helped each month by the Food Bank of Northern Nevada through our partnerships with 145 agencies representing social and human services agencies, non-profit organizations, churches and faith-based communities, school districts, healthcare organizations and many others.

We are proud that more than 18.2 million meals were distributed to families throughout our 90,000 square mile service area through emergency food pantries, shelters, child care programs, senior centers and direct service programs. The children and youth of our communities received more than 292,234 meals through Kids Cafe after school and summer programs. They received another 174,561 meals through school pantries, and there were 83,121 meals distributed to chronically hungry and homeless children through the Back Pack Kids program for weekend food. More than 916,427 meals were distributed to seniors in our area through the senior monthly box program (CSFP) and 1.63 million meals were leveraged through SNAP Outreach. Mobile Harvest brought 1.7 million meals of perishable foods to families with the majority of those meals being fresh produce.

Your support has allowed us to be able to assist the many families who count on us every day and we are so grateful for your ongoing support. Thank you for your partnership.

Sincerely,

Al Brislain  
President & CEO

Steven Kane  
Board Chair

P.S. The past two years have been a wonderful final chapter for me as I conclude my 40+ year career of serving those who face hunger. I am delighted that our Board of Directors chose Nicole Lamboley as the new CEO. She and her dedicated team will continue to make a real difference in the lives of our neighbors in need.
OUR MISSION:
FEEDING the HUNGRY TODAY
and SOLVING HUNGER for TOMORROW through COMMUNITY PARTNERSHIP

OUR VISION:
Healthy Food. Every Person. Every Day.
This amazing contribution allowed the Food Bank to deliver more than **18.2 million meals** to the children, seniors, families, and veterans who need them.

Volunteers help by sorting and packing food in the warehouse, assisting to distribute food through direct service programs such as Mobile Harvest, doing office work and helping with events.

### PROGRAMS

**Food Distribution through Partner Agencies**
There are 145 organizations throughout our 90,000 square mile service area who distribute food to those in need. Partner Agencies are emergency food pantries, shelters, family resource centers and more, delivering 13.4 million meals last year.

**Mobile Harvest**
The Mobile Harvest program distributes fresh produce and other perishable food directly to clients in the neighborhoods where they live. Mobile Harvest delivered more than 1.7 million meals to families during the year.

**School Food Pantries**
School pantries are only possible with the support of the school districts, counselors, teachers and administrators who distributed more than 174,561 meals to families throughout the year.

**Back-Pack Kids**
The Back-Pack Kids program offers weekend food to chronically hungry or homeless children distributed through the schools. The Back-Pack Kids program provided more than 83,121 meals throughout the year to children in our area.

**Kids Cafe**
Kids Cafe is a program that offers free meals to children and youth when they are out of school. This can be an after school meal or a meal during the school breaks or during the summer time. Kids Cafe meals are available to all children between the ages of 1 and 18 and are always free. * This vital program aims to fill the outside-of-school nutrition gap for children who rely on free meals at school. Kids Cafe meal programs provided more than 292,234 meals to children this year.
Nutrition Education
Helping people gain access to important nutritious information is the goal of the Food Bank’s Nutrition Education program. The Food Bank offers Smart Shopper, a class for adults on making the most from their food budget, and Nutrition on Wheels, that offers nutrition tips, recipes, and even samples right at Mobile Harvest sites.

Commodity Supplemental Food Program (CSFP)
This is a program that distributes monthly boxes of food to seniors in need. Boxes are distributed at many sites around northern Nevada and can include cheese, cereals, beans, rice or pasta and canned fruits and vegetables. CSFP is also supplemented by the Mobile Harvest Program and the Senior Supplemental Food program providing a total of more than 916,427 meals to low income seniors.

SNAP Outreach
SNAP (formerly food stamps) Outreach is a program that helps people get connected with SNAP benefits. SNAP Outreach workers assist the client with paperwork and also do the in-person interview required to qualify for benefits. During the year families were connected with more than 1.6 million meals through SNAP applications submitted by the Food Bank, which resulted in $3.5 million in economic impact to the region.

During the fiscal year of 2018-2019, the Food Bank of Northern Nevada distributed more than 18.2 million meals to those who need them in the region.
