

The Food Bank of Northern Nevada and our network of partner food pantries are here to ensure anyone in need of food assistance is able to get the food they need, often times close to their own neighborhoods. These food pantries are open to help on different days of the week and at various times during those days.

All pantries require the completion of a brief intake form during the first visit and once-per-year after. Other pantry-specific requirements are provided in the list below.

Unless noted otherwise, school pantries are open only to families with a student at the school.

- ◆ Able to work with youth who don't have ID or a permanent address
- ❖ TEFAP Commodities available (NV only)
- △ **Golden Groceries Hours** (Open to those 60+ only)
