

Respect and Dignity Policy

This organization is strongly committed to a culture of safety, respect, and dignity for all clients, staff, volunteers, and community members

We Believe:

1. Everyone who enters our space should be treated with dignity and respect
2. No one should be subjected to harassment or bullying while waiting to be served, serving clients, or receiving assistance
3. In supporting positive communication between clients, staff, and volunteers
4. In creating an equitable and fair environment for clients, staff, and volunteers

If you see or experience anything contrary to this policy, please contact:
